For Life

Every time you find  
some humour in a  
difficult situation,  
you win.

A photograph of a misty forest path with tall trees, serving as a background for a quote. The path is covered in fallen leaves and leads into the distance, flanked by tall, slender trees. The atmosphere is serene and slightly mysterious due to the mist.

**“Sometimes,  
the bad things  
that happen  
in our lives  
put us directly  
on the path  
to the best  
things that  
will ever  
happen to  
us.”**

Thought about quitting.

Then I noticed who was watching.

**WHICH ONE?**

A scenic landscape photograph of a fjord, likely in Norway. The water is a deep blue, reflecting the sky. The surrounding mountains are steep and covered in green vegetation. The sky is a vibrant blue with scattered white clouds. The entire image is framed by a light brown, textured border that resembles torn paper.

I thought about making the world black and white.  
But then I said ... **naah!**

From the laziness
